

Three Bedroom Cottages

Grisedale, **Skiddaw** and **Castlerigg** are our three bedroom cottages at Underscar. They are the largest and each is unique. Grisedale sits at the end of the garden and looks down it's full length to the Manor and towards the mountain, after which it is named. Castlerigg and Skiddaw look out directly over Keswick to the Central Fells and beyond.

All three have master bedrooms with double bed, ensuite bathroom fitted wardrobe, and TV. In addition there are two twin bedded rooms with large built in wardrobes. Separate combination shower and steam-room have a heated towel rail, hand basin and WC. So each cottage provides generous accommodation for six people.

Fitted furniture in the **lounge area** houses a large flat screen TV and DVD player. **Free WiFi** lets you to stay in touch, play music, or listen to the radio through a **SONOS** sound system that serves all rooms. SONOS connects easily to mp3 and other devices you use everyday to access music stored on them, or in the Cloud..

Kitchens and adjacent dining areas are fully equipped with crockery, cutlery and glasses for six. Everything you need for your stay is provided, from a good range of cooking utensils, microwave and conventional cooker, to a dishwasher, washer/dryer, a coffee filter machine and a wine rack. Even dishwasher tabs and paper serviettes are provided.

In the vestibule there's a drying cabinet, just in case it rains during your holiday, a boot and shoe rack, and lots of coat hooks.
