

Underscar apartments open on Saturday July 4th - Week 27

The Government announcements on the 23rd June cleared the way for us to re-open Underscar apartments as trailed in late March.

You will receive the usual pre arrival letter from Pauline before you go.

The first arrivals can come on Saturday 4th July at 16.30.

The Spa and Swimming pool will not be open as per the government announcement. The Bistro and reception will also not be open.

In your apartment you will find a list of eateries in Keswick who are doing a take-away service. You will also find some extra items to assist you with keeping Covid safe for your week.

Please go to your apartment, no earlier than 4.30, where you will find the keys on the dining room table.

Nathan and the maintenance team will be on site. Kim will be on site for the weekend days.

They can be contacted on the normal telephone numbers during the week should you need assistance. Please refer any issues direct to them so that they can be dealt with straight away and enhance your week.

When you leave please vacate the apartment by 0930 to facilitate sufficient time for extra cleaning. Please leave the keys hanging on the coat hooks in the vestibule.

In the unlikely event that you or one of your party develop symptoms of Covid-19 please contact NHS 111, notify Nathan so that a complete clean can be done and go home. Get a test done and self-isolate as per the guidance.

Do enjoy your stay.

Best wishes
